

AFSHEEN SHEIKH

Aspiring Full Stack Developer (MERN)

Udaipur, Rajasthan | sheikhafsheen06@gmail.com | +91 7734930921 | linkedin.com/in/afsheensheikh-50aba833a

PROFILE SUMMARY

Aspiring Full Stack Developer pursuing BCA, with hands-on experience building responsive web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Comfortable working across frontend and backend layers, from React.js interfaces to Node.js/Express APIs and MongoDB data models. Brings a strong problem-solving mindset, quick to learn new tools and frameworks, and experienced collaborating with remote and on-site development teams to ship clean, maintainable code.

TECHNICAL SKILLS

Frontend: React.js, HTML5, CSS3, JavaScript, TypeScript, Responsive Web Design

Backend: Node.js, Express.js

Database: MongoDB

Tools & Technologies: Git, GitHub, REST APIs, API Integration, Socket.io

Programming Languages: JavaScript, Java, C++

EXPERIENCE

React.js Intern (On-site) | Websenor Pvt. Ltd, Udaipur

March 2026 – August 2026

- Building responsive, user-friendly frontend interfaces using React.js as part of the MERN stack development team.
- Writing clean, maintainable code under senior developer guidance, following industry-level development practices.
- Working on API integration and real-world development workflows in a collaborative, on-site team environment.

Web Development Intern (Virtual) | CodTech IT Solutions, Hyderabad

January 2026 – February 2026

- Contributed to web development projects using React.js, Node.js, Express.js, and MongoDB.
- Built and improved responsive UI components, and assisted with backend/API integration and debugging.
- Collaborated remotely with the team via Slack/Zoom-style tools, following best coding practices.

PROJECTS

Zenvest – AI-Based Decision Analysis Platform

2026

- Building a full-stack decision analysis and personal finance platform using Next.js, with RESTful API integration.

Portfolio Website

2026

- Designed and built a personal portfolio website using React.js to showcase projects, skills, and experience.
- Implemented a responsive, component-based layout following modern frontend development practices.
